

RISK WARNING

When trading with GetGo your capital is at risk - prices can move quickly against you, generating losses rapidly. GetGo provides trade signals which are based on historic precedents, or Track Records. The signals do not predict future performance, and past performance is not a reliable indicator of future performance. Trading with GetGo may not be suitable for everyone, please ensure you fully understand the risks involved and seek independent advice if necessary.

The Signals provided by GetGo are general in nature and should not be considered as personal financial advice. All Signals are provided to all clients simultaneously. Your personal circumstances have not been considered when the Signals are provided.

DISCLAIMER

We have provided the information available on this web site for your general guidance. We take great care in ensuring that the information is accurate; however we accept no liability in this respect. You should be aware that the content is subject to change without notice.

The material provided herein is general in nature and does not take into account your objectives, financial situation or needs.

We recommend you to seek independent financial and legal advice before making any financial investment decision. It is important you consider our Financial Services Guide and Product Disclosure Statement (PDS) available at www.getgo.trade, before deciding to acquire or hold our products.
